

FAQs – NYB Summer School 2020

Will there be a Residential Performance Company in 2020?

As part of our long-term strategic plan, we will not be running a Residential Performance Company this year. Instead, we are focussing on offering new and rich opportunities for both existing company members and those new to NYB. More details will follow in the coming weeks.

Is this the end of the Residential Performance Company?

Absolutely not! It is a central part of the DNA of NYB and what makes us such a special company; bringing young dancers together with leading choreographers and professionals to create performances of the highest quality will be integral to our future plans.

Will Mini-Ballet run this year?

We will be integrating the opportunities that Mini-Ballet provides into our new programme structure. Please check back for more information in the coming weeks and follow us on social media.
