Other than the fees, are there any additional costs?

There will be a selection of NYB merchandise available to buy in advance.

We will also operate a Tuck Shop selling sweets, snacks and treats during the residential - please bring a small amount of cash if you would like to buy anything from this shop.

My child is concerned about staying away from home. Can they attend as a day student?

We really understand that staying away from home can be a big step for our young people. We have a dedicated Safeguarding and Support Team Manager, as well as house parents who are there to look after the wellbeing of the children. There is a great deal of learning and personal development that takes place in the out of hours part of the course, so if possible, we would encourage all of our dancers to stay. For some, we understand that this would really compromise their experience, and we have allowed people to attend as day students in the past. Unfortunately we would be unable to offer any reduction in the fees if your child was not resident on the programme. If you want to talk to us about this further please feel free to drop us an email.
