

# Join our Youth Council!

**Are you passionate about NYB's work? Do you want to get more involved?**

NYB is looking for the next generation of youth council members so our young people's voices can be front and centre of everything that we do.

**What does the Youth Council do?**

Attend  
meetings  
with other  
members

Share ideas  
and opinions  
on NYB  
activities

Share NYB's  
work with  
other people  
to raise our  
profile

Work  
together to  
make NYB  
better for  
everyone!

We're looking for young people who have a passion for ballet and want to give feedback on NYB activities to help us think about what works best for young people.

If you enjoy listening to others, reflecting, collaborating, and sharing opinions and have ideas about the future of ballet, the Youth Council is for you!

## What do members gain?

- give you leadership skills including advocating for young people in the wider ballet sector

You will also have:

- the chance to help at other NYB activities such as welcoming or ushering at events
- contact with NYB's leadership team, so you can share your ideas directly with the people running NYB

**We're looking for 10 members from across the UK.**

- You've taken part in NYB activity before
